What's new:

- **Precision passing - FIFA's new passing mechanics have been meticulously researched and refined by the EA FIFA Development Team, allowing every touch of the ball to be memorably precise.**
- **Pure Player Power - Bring pure power to the midfield with new strength, condition, and stamina upgrades, or gain a side-step in all directions with**

new move*styl* versions. Deny, tackle, and compete for headers and long-range shots with new Aerial Advantage options.

- **Natural player movement - Change the way you move with new tackling and movement animations, including triple bonuses designed to bring the real athleticism and fluidity of player movement to FIFA.**
- **New relentless passing - Pass the ball and counters and run for every yard, keeping the ball under control for every split second.**
- **New expanded tactics - Manage your player lineup, substitutions, and formations from the pitch or on the HUD, giving you total tactical control at your fingertips. Create the perfect team from entire squad depth for each match, then match your strategy and tactics, and practice moves, to perfection.**
- **Cutting Edge Player Intelligence - From match reviews to the FIFA Pro Ratings to the FIFA Card Formulas, the footballing intelligence of EA's award-winning FIFA engine is now fully integrated into the gameplay.**
- **Proper Timing - Create a play with perfect timing**

in ideal ball handling, pass, run, or aerial conditions to do what you want on the pitch, and beat the opposition.

- **Intensity - Take on every challenge, from smashing headers through packs for killer 50/50s to air dribbles that will confound the best players. Earn impossible duels with multi-ball shots and finish runs of your lifetime, ensuring tight controls are driven by pure, unrestrained power, and triumph as you break the back of the defense with set pieces or slippery footwork.**
- **Set Piece Takers - Step on the ball with one touch to create shots with unparalleled precision and finish and score outrageous juggles to raise the winning goal. After a lifetime at balancing exciting goals against several other important attributes, we've let our all-time champion, David Beckham, take a swing - and score incredible goals like never before.**
- **Overwatch - Experience the most exhilarating, longest shot ever during a classic one-on**
